Day 6 · Day 5 · Day 4

THE SECOND BEND

Stage 5

By this time we will have begun our initial research from your brief and **began to make enquiries.**

Stage 6

Hopefully by the end of this period we will begin to **create a portfolio** with vehicles suitable to your requirements and be ready to present.

Stage 7

The presentation, what we have found, the **perfect match**!

Stage 8

Informed decision, if you decide to go ahead we will begin our in-depth checks on the vehicle depending on which service you have chosen.

Visionary Package

Mechanichal Inspection*

At this point we will send out our inspection team to carry out the checks and complete a 120 point check on the vehicle, they will also take photos which you will be able to view

Return on Investment Report*

You want to know the market right? We can help you understand how comparative models have performed and what to expect you vehicle value to achieve in the future*

Finance Referral

We can find the perfect solution for to fund your new vehicle.

Condition Report *

You will receive a further in-depth report on the vehicle condition, this will include a test drive

Custom after-market parts advice*

Want to customise your vehicle, we love that, let us help you find exactly what you want at the best price

Day 8 · Day 7 · Day 9

THE THIRD TURN

BAHN Finders members stable*

We want to give our **loyal customers more...** our plan is to create automotive events, teaming up with the most established brands on the track and ultimately create a space where we can come together to talk shop. To do this we will need to **keep our members connected.** Update you on our latest news, discuss the latest services or products we offer. We have **our own list of vehicles** which we are offering, either from our trusted customers or any coach built examples we have created.

Day 14 · Day 13 · Day 12

THE HOME RUN

Stage 9

We will take care of the payment for you, you send us the money once the price is agreed and we ensure it finds its way to the seller making it a **stress free transaction**

Stage 10

Transport and delivery, we arrange all transport and delivery costs on your behalf so you can enjoy your new motor from the moment it touches down to your selected drop off point. We will send you all documentation via email or post.

Face to face consultant

Either in person or virtually, we will assess your needs and come to an understanding of your requirements.

National / International search

We can source your vehicle from the UK or abroad, depending on your specification.

Expertise advice

We can give you expert advice on running costs, engine specs, servce costs down to which spec will give you the most value on resale.

Purchase option guide

We will begin to explore or refer* you through your purchasing options. Allowing you to decide which method is best and tailored for you to make an informed decision

BAHN Finder

Terms & Conditions: *mechanical inspection carried out by approved third party. If our contractor is unavailable we will find another equally qualified most likely but not limited to RAC or AA. *condition report this will be collated data from the mechanical inspection and photos received from the inspection, if a further condition report is required, you can request for an employed member of the BAHN Finder team to visit the vehicle, we charge any travel fees to the client outside of a 30 mile radius of our registered address, a documented receipt of these fees will be added to the client's file for inspection. An additional fee of £25.95 +VAT will also be added. *nature on investment report (ROI) will be an estimated figure of future value of the vehicle. We predict this by market analysis and how similar vehicles have performed in the past, we also look at the current market and gauge how we feel a future market will receive said vehicles. Etc may be provided by data outsourced from third part providers BAHN Finder works with or carried out by in house research that can be requested by the client at any time *shows how auctioue transaction. BAHN Finder effectively acts as a middle man and accepts no liability for the shares held, we do this in good faith and hold the money based on relationships built between the client and BAHN Finder to help clients take the worry out of being scammed. BAHN Finder will not release any funds until it receives written confirmation from the client to confirm the purchase *number after market parts advice, the advice is given on what model number or VIN number parts clients will need to acquire rendered images of the parts fitted to specific vehicles if clients require BAHN Finder to source and fit those parts. BAHN Finder is in no way responsible for any impact it may have on your vehicle aesthetically or by performance impact. BAHN Finders aim of this service is to provide genuine parts and establish after market products to clients at reasonable prices, and not to supply ill fitted and dangerous cheap parts which flood the market at attractive prices. BAHN Finder endeavours to only advise clients with the best quality and trusted manufacturers. If recurring and fitting is required BAHN Finder will quote a fitting fee you to make an informed decision. Sourcing cost will be charged by 15% fee per item. *finance referral, all financial referrals will be done via dealerships and BAHN Finder will not receive a commission from this, BAHN Finder as of Jan 2025 is not FCA regulated and unable to make financial referrals, if this changes any literature will be updated, if this document is out of date you can contact BAHN Finder head office info@bahnfinder.com to request further clarity. If you are reading this post Jun 2025 then BAHN Finder may be FCA regulated at this point, please contact us for clarity. Alternatively if you have concerns please see the FCA website www.fca.org.uk *access to exclusive funnel, please speak to our sales team about this as depending on our clients vehicle will depend on which band you will have access to. *access to BAHN Finder STABLE - currently open to all however this can be closed with no warning and made to invite only access only. *International transport and delivery, BAHN Finder offers international shipping brokering, the client must cover the cost of transport.
